COMPTROLLER

The Housing Authority of the City of Waterbury (Connecticut) seeks a Comptroller who will be responsible for all activities of the Finance Department and Procurement. The Comptroller performs a wide variety of complex accounting and financial functions and oversees procurement practices under the broad supervision of the Executive Director. The position will work with WHA's CFO providing direct supervision to a small accounting & procurement staff; is responsible for WHA financial reporting; assists in the development, implementation and monitoring of the operating budget; and ensures that the general ledger is maintained in compliance with all regulations as established by the U.S. Department of Housing and Urban Development (HUD), generally Accepted Accounting Principles (GAAP) and Governmental Accounting and Financial Reporting Standards. The Comptroller supports the accomplishment of WHA's strategic goals and objectives in the course of meeting the goals of the Finance Department. Compensation DOE.
